Our first reading day for the year is Saturday 2nd March and there is a flyer attached further into this newsletter. This is a wonderful opportunity to connect with your loved ones in Spirit, or to receive healing, or simply come along and share in some fellowship and refreshments.

Our window at the front of the building, and our pyramid, along with alterations to the front wall, have now been completed and a huge thanks to Matt and all the members of the committee for all the hard work that went in to making this happen.

We are always mindful of running costs and if you would like to make a donation towards our pyramid this would be most thankfully received. Our account to credit is ANZ Botany 06-0197-0037869-00. If you would like to use 'Pyramid donation' as the reference.

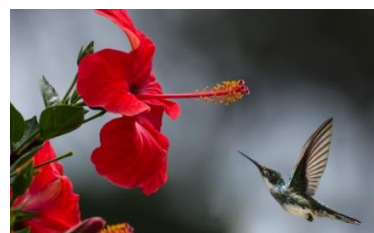

Our membership form is on the table in the foyer if you would like to become a member. You will receive discounts on classes as well as the use of the library and our newsletter will be emailed directly to you.

Members are welcome to borrow from an extensive range of books from our library, for just a gold coin donation.

Our trade table at the back of the church next to the library is also a gold coin donation.

All funds raised go towards the running and upkeep of our church.

We are blessed that you join us.

The Whole Armour of God

When you earnestly send out the thought of love and light, you surround yourself with light - as you give you receive. The light which you send forth from your heart not only dispels the material and erroneous thoughts of others; it also creates a protective shield around you. This is what is meant by the words, 'Put on the whole armour of God'.

I am

*I am one of Gods divine beings, living my life
according to God's law. I have a free will which
I use all the time, knowing that the feelings I
have whatever they are, are my guide to living
my life. My intuition is my guides connecting
with me. Anytime, anyplace, I just have to ask
or even just feel. I am part of the God light,
always connected, always present in the
knowledge that I am a God being. A beam of
light in a body of my choosing. A body that I
am grateful for as it carries me through my
day. My feet to hold me up, my legs to get me
around, my arms to carry my belongings. My
eyes to see the beauty that is all around me.
My ears to hear the loving words that are
floating on the air. They are the sounds of the
birds, the crickets, the wind in the trees. My
voice to use for God's work. To speak kind
words, to communicate with all, to use to
protect those that need protection. To teach
and to ask questions for my learning. This is
my body, my mind, the one that God created
for the body of my choosing. So I am light,
love and a bit crazy for the purest of life, the
things that make my heart sing, my eyes shine
and a smile to encourage and acknowledge
the God in me.*

*So thank you God for making me. I am grateful
for all I can see. For those you have sent to*

*me to help me on my way. To listen and learn
all that I need to know to help me to grow to be
the best I can in this world we know.*

Thank you God

member Denise)*

Let's Celebrate - Spiritualists Day or Hydesville Day

Spiritualists around the world celebrate on March 31st Hydesville Day or Spiritualists Day, when we all take a little time to reflect upon the work of our pioneers who laid through their dedication and courage the foundations of Spiritualism today.

The fundamental message of Spiritualism reminds us that death is but a simple stage in our life, which at some point each of us will have to pass through. Spiritualism removes any fear of that change and in turn helps us to look at life from a totally new perspective which instills hope and understanding based on knowledge and not faith.

The messages from the Spirit world encourages us to fulfill in our lives all the potential we each possess, to treat each day as an opportunity to express that power we call God which is part of the Brotherhood of Man irrespective of culture, belief or background.

Happy Spiritualists Day, may we each become a Pioneer in our own right, that the message of life may become stronger, the light within brighter and the guidance from spirit be available to all, allowing mankind to progress to a brighter and more spiritual future.
